Dramatic Adventures

www.dramaticadventures.com

Have a great time while learning dramatic life skills. Through theatre and storytelling, creative dramatics and art, imaginations soar. While having a great time, students increase emotional intelligence, social intelligence, and problem solving abilities. They build confidence and self-esteem. Programs include Fairytales and Feelings, Fables and Friendships, Super Hero Academy, and Trading Faces Mask programs for older students. DAI materials have received rave reviews at educational conferences and parenting events. Kids Love 'em! Programs build on the latest brain development research to leverage a child's I.Q. into every day success.
